From the PRESIDENT'S DESK

Dear Members,

After a hectic but very enjoyable festive season the glamour of the Club is now back to looking normal with all the decorations and lighting been removed. January was relatively quiet as our members were catching their breath after an exhausting Season. Hope the year has started well for all especially for those with their New Year resolution... Ha ha ha

The month started with the Faith Programme where Fr. Shiju gave a special blessing to the Managing Committee and the members of the Club to celebrate the feast of Infant Jesus. Thanks to Corrine and her choir for the beautiful hymns sung at the occasion.

The Ladies Coffee Morning was yet again a great success and an enjoyable one too with a good turn out.

Entertainment continues to be at its best with the Friday Bar Nights, Saturday night Musicals and Sunday Brunches. The Cocktails and offers from the bar added great value to these events.

The Unfurling of our National Flag on Republic Day was well attended by our members which followed with a complimentary breakfast for the members. Thereafter a special Republic Day Brunch was held with a special menu and a superb performance by Mike Kerr and his band which was well attended by our Members and their Guests. The evening was exciting for the Housie lovers with a Super Bumper Housie being conducted for Rs.1 lakh. Congratulations to all the winners.

The iKidzone continues to have some enjoyable events for the kids of which are attracting huge numbers.

The Romp again was well organised and there was a good turnout though it was a chilly morning.

The highlight of the month was the Rock Pop Republic concert performed by our very own youth – CCYMP (Catholic Club Youth Music Project). They rocked the show and had the members on the dance floor the entire evening.

The month of February when love is flowing is packed with a lot of Entertainment. The Saturday Night Musicals, the Sunday Brunches, the Amateur Night, Super Seniors Valentines Day, and the Carnival will keep you dear members entertained before we go into the Lenten period. There will be some great performers during these events so look at the programme sheet and save the dates.

The IPL cricket tournament is also being conducted this month. Dont miss the excitement.

That's all for now. Looking forward to meeting all of you at the programmes and in the month of February.

Warm Regards

Ricky Patel

REPUBLIC DAY

? WHAT'S THE GOOD WORD!

THE WINNERS

Back after a gap of 2 months, this episode saw a mix of the regulars, some oldies who returned, and some new first timers.

The star of the day was undoubtedly young Aiden D'Souza who stole the show whether he was drawing, acting or clueing verbally!

It was no surprise to all who were present when his team romped home winners.

Thanks to Fiona and Serena D'Souza, along with Gavin Cordeiro for organising the programme and to Dilip D'Souza for scoring.
