

JULY 2022

CATCH-UP!

The Catholic Club Newsletter

People with GOALS succeed,
because they know
where they are going!

from the PRESIDENT'S DESK

Dear Fellow-Member,

As I take on the role of President of Catholic Club for the fourth year, I would like to thank all of you dear members for restoring your faith in me and re-electing me as your President. It is indeed an honor and privilege to serve the club.

It was heartening to see a good turnout of more than 300 members who attended the 70th Annual General Body Meeting which was held on the 26th of June 2022. Thankfully we have members who are interested in the Club's affairs and attended the meeting and participated constructively in the meeting.

The Election Team assisted by the youth did a fantastic job completing the counting and declaring the results in record time.

I am optimistic that this year will be resounding as we recommit, re-engage, rethink and reboot for the coming year. I wish to congratulate the Members on concluding the AGM for the second consecutive year in record time and intelligently electing a dynamic Managing Committee. The list of the dedicated Managing Committee members and their Portfolios are published in this Newsletter. MC members will be forming their respective sub-committees to assist them in their task of efficiently running their departments and I request members to volunteer your services and help the MC in reaching its goals.

I thank the outgoing members of the Managing Committee – Charles Rogers, Sameera Fernandes, Nelson Philips and Sean Pereira for their tireless efforts over the years in improving the Club. We as a Committee recognise all the hard work done by them for the benefit of the Club.

Entertainment was again at its best in the month of June. The club rocked every weekend and then with the events of The SJCC Golden Bash where A26 performed and The Members Nite was entertained by the Revivers.

Our Committee members are planning activities and events to cater to the interests of all groups including Ladies, Elders, Youth and Children so members can look forward to an eventful year.

During the month of July, the Project Committee will commence the projects of the refurbishment of the Ballroom and Sportico Restrooms and the Chambers which were part of the proposals passed at the AGM. We will keep the members updated on the start and completion of each project.

In an effort to encourage participation and increase accessibility to the Management Committee, we propose to have an open house session once every quarter where Members, their Spouses and Dependent Members can voice their opinion and suggest improvements for the club. The first one is scheduled in the beginning of July. We look forward to your participation and constructive interactions.

This year let us all continue with our commitment to the objectives of the club: To Promote and foster spirit de corps amongst all Catholics, promote social, recreational and sporting activities for the families in general and youth in particular and to work for the welfare and benefit of the weaker section without regard to caste and creed, While all efforts of the MC will be directed to reach this goal, I request member participation in all our efforts. We need a whole hearted effort to make these objectives meaningful.

I look forward to an eventful year and wish all the members and their families a cheerful year.

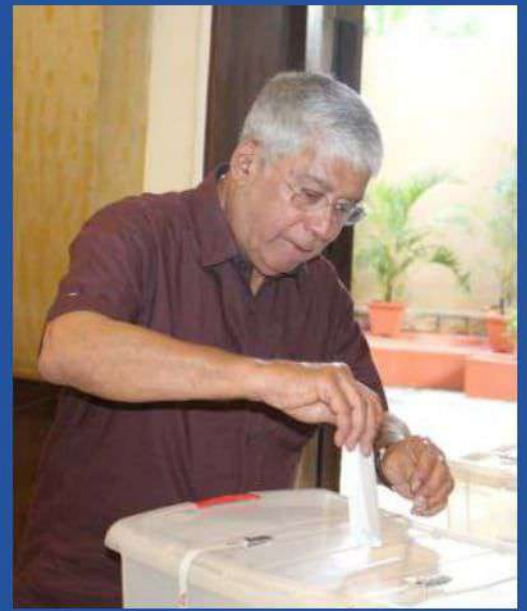

Warm Regards,

Ricky Patel
President
