## PRESIDENT'S REPORT

*Dear Members,*

**A**s we come to the end of the Lenten season, we will come to appreciate the transformation that has taken place within us, as a result of our faith and devotion. Easter will renew our faith, and usher us into the a joyful time again. This coincides for many of us, especially for our young children, with the summer vacations. The Easter Bash will be an event to look forward to, besides the summer camps that we have organized for the children. Details are available on the notice boards and in the office. Please come participate and join in the Easter celebrations.

The Faith programs conducted every Friday at the Club, was well attended.

We began March with our Sunday brunch and Mini Bumper Housie. The Badminton League was held and this year has seen some new talent on the block, besides our usual Champions. Ajit Lobo our MiC-Sportico ensured he was there almost daily, to ensure it all went like clock-work. The Chess tournament also saw some good participation from adults and children alike. This is definitely a game we should teach our young strategists, and tomorrow's leaders. Thanks to Gavin, our MiC for Indoor and Outdoor Sports.

Mid-March seemed festive, with the Ladies celebrating Women's Day in full glory. The all-woman band, the women-led stalls, and the general attendance definitely made us feel grateful for the talented and enterprising women in our Club. Thanks to Coreen for pushing this through.

A big highlight for our soon approaching 75th year celebration is the memorabilia on offer. The most exclusive are the Titan Edge watches that can be pre-ordered and customized. Don't miss your chance to get these limited-edition memorabilia from the Counter at the entrance. The tie, cufflinks and scarf

add a nice touch to any wardrobe. Let's show we belong!

Understanding our members' appetite for sports, the IPL cricket matches were streamed at the Club. We saw good attendance and excitement through the evenings.

The Club Management is doing its best in overcoming the LPG crisis, and members may have experienced limited menus. Thanks for cooperating, and helping us tide over the LPG shortage.

I really hope members are using the Special Offer on the Rooms / Chambers. Every booking ensures a 25% room rent credit to the members card, in effect offering a 25% discount. While the weekends are mostly sold out, the weekdays could do with more utilization.

The month of March has been sad for many of us due to the demise of a few long-term members of the Club. We will miss them, and our condolences are with the families of the deceased.

The Club Management is also working on identifying new vendors for our kitchens. While requests for tenders were advertised, we are in the process of evaluating the new and existing applications. We should be able to finalise in April the vendors for our main kitchen and sub-kitchens.

Lalit Braganza (MiC- Billiards) saw the signature Carlyle Bartley Tournament through. Congratulations to the winners!

Expressing our gratitude to the Staff, we ensured they enjoyed their picnic at Elim Resorts. Every employee participated over the two days, and returned safe. We have also appointed a new Operations Manager – Royston Rego, whom most members have already

met. The new Operations Manager will ensure that the guest and member experience is improved further. We wish him the best in this role. Royston will report to our Secretary (Raymond Stephen).

The Club has seen a rise in decorum related issues, and will continue to drive discipline to ensure a safe and healthy environment for all our members. We appreciate the work of the Decorum Committee in handling the matters wisely.

April will be an exciting month again, with the summer camp, Easter Ball, Cricket League, and the Easter Bash for our Seniors! We have selected a fabulous band from Srilanka to entertain us on 4th April (Easter Night). I personally invite all the members to come celebrate the risen Lord, with your families.

## FAITH

The Lenten season saw several Fridays dedicated to prayer and worship. We thank the Almighty for His guidance and blessings during this sacred time.

Our sincere appreciation to our President, Office Bearers, committee and sub-committee members, and staff for their continued support. A special mention to Kishor (IT Department) for seamlessly managing projections and music, Fernandes for the beautiful altar arrangements, and Krishna for maintaining the fresh plants. We also thank Vani, Clifford, and our Secretary Raymond for their invaluable assistance - truly a wonderful team effort.

We are grateful to all the priests who guided us through the Lenten season, and to our members for their presence and participation.

On 23rd April, we celebrate the Resurrection of our Lord and look forward to your presence in large numbers.

Faithfully yours,

**Coreen D'Souza Fareed**

## KIDS

March was a relatively quiet month as children focused on their final examinations. With summer now upon us, we look forward to welcoming them for an exciting and memorable Summer Camp—details are provided separately.

We encourage parents to enrol their children and their friends for a fun-filled and enriching experience.

Warm regards,

## LADIES

March 8th was a wonderful celebration of women and the many ways we bring life and energy to our community. The evening featured music and dance through the decades, with engaging performances and a lively all-girls band that took us down memory lane.

With games, fun activities, and dancing to the DJ's music, it truly was a memorable day.

My sincere thanks to our President, Office Bearers, and committee members—especially Michael Saldanha (MIC Bar) and Sam Texeira (MIC Entertainment)—for their constant support. A special thank you as well to my sub-committee for their continued efforts.

Looking ahead, we have an exciting event this month that will involve our men too! Gentlemen who enjoy cooking are invited to showcase their skills at our food stalls. Please contact Vani at the office to book your space.

This event is being organised in collaboration with Gavin Cordeiro (MIC Indoor & Outdoor Sports) and the Ladies Department. We look forward to seeing the entire family join in.

Warm regards,

**Coreen D'Souza Fareed**

## iBROWSE

Our recent iBrowse session featured a book on football in India, and while we expected a full house of football fans, the coinciding Mohan Bagan vs BFC match in Bengaluru proved to be tough competition! That said, many fans stopped by the Club to meet the author before heading to the game.

Despite this, we had a good turnout, and the audience remained thoroughly engaged through an insightful discussion between our moderator, Nazarius

Manoharan, and author Sandeep Menon. The interaction was so lively that we had to cut it short to accommodate an enthusiastic Q&A session.

The evening concluded on a pleasant note with snacks for all.

## WHAT'S THE GOOD WORD

For the first time, the event was held on a Sunday morning instead of the usual Friday evening. While this meant a few regulars were missed, we were delighted to welcome several newcomers participating for the first time.

The first half featured relatively easy rounds, but the second half proved far more challenging, with teams

battling it out and the lead changing hands multiple times.

In the end, it was a team of first-timers who emerged victorious—well done to all the winners!

## CARDS

The take in the card room is going from strength to strength.

Last year, the average was ₹3,000 per month. With the introduction of an extra day, the take has now increased to approximately ₹12,000 — well done, Richard!

Please block your dates for the upcoming Easter tournaments:

- **21-Card Tournament: 11th April**
- **13-Card Tournament: 19th April**

We encourage all members to attend in large numbers.

## BILLIARDS

The past month has been nothing short of exceptional in the Billiards Room, highlighted by the successful hosting of the XXIV Carlisle Bartley Memorial Singles Handicap Tournament. The event received an outstanding response, with nearly 125 entries representing 15 clubs. The atmosphere throughout was electric, showcasing high-quality snooker alongside enthusiastic support from members and visitors alike.

The tournament culminated in a thrilling final, where Shri Vishnu (KSBA) emerged victorious after a closely contested match against Rohit Tirrakaradi (Malleshwaram Association), clinching the win on the final black. A special mention goes to Sean Davis (Catholic Club), whose superb high break of 94 earned him the tournament's high break prize.

We extend our heartfelt gratitude to the Bartley family, especially Mrs. Judy Bartley, for their continued support and presence. It was also wonderful to see close friends of the family attend the finals, adding warmth and significance to an already memorable evening.

In addition to the tournament, several enhancements have been carried out in the Billiards Room to elevate the playing experience. These include the restoration of the wood paneling and the replacement of table cloths and cushions. We are pleased to share that the tables are now fitted with Liberwin Everest cloth, the same used in the Asian Championship, ensuring top-tier playing conditions for all members.

Looking ahead, April promises to be an action-packed month. Preparations are underway for the

Catholic Club Snooker & Billiards League (CCSBL), scheduled for the first week of May. The league auction will take place in April, building excitement as teams begin to take shape.

Additionally, we will be hosting several engaging events, including a members' tournament organized by Mr. M. K. Ramesh Anand, along with other activities currently in the pipeline. Members are encouraged to watch for upcoming announcements regarding dates and registrations.

Thank you, as always, for your continued support and enthusiasm. We look forward to seeing even more of you in the Billiards Room as the season gathers momentum.

As always, see you on the green side!

## CCOT POCSO Awareness Program in Collaboration with Oasis India

The Protection of Children from Sexual Offences (POCSO) Act, 2012 is a special legislation enacted to safeguard children below the age of 18 from sexual abuse, harassment, and exploitation. The Act clearly defines various forms of sexual offences against children and establishes a child-friendly legal framework that prioritizes the child's safety, privacy, and dignity at every stage of the judicial process. It also mandates compulsory reporting of offences and prescribes stringent punishments for perpetrators, reinforcing the commitment to creating a secure environment for children. Oasis India in collaboration with CCOT organized numerous sessions spreading awareness about POCSO among the children of our homes. We have held 8 sessions and 1 workshop in total. The sessions were facilitated by Ms. Sangeetha S, Child Rights Care Worker and Mr. Sam, Social Work Intern who effectively introduced children to concepts of sexual abuse, harassment, and personal safety in an age-appropriate and sensitive manner.

### Mukti Bike Challenge

The Mukti Bike Challenge, organized by Oasis India, was a bike rally conducted to raise awareness about the issue of child trafficking on 8th November 2025. The event brought together numerous riders and participants who came together to highlight the importance of protecting vulnerable children and strengthening community awareness. Vincent Pinto and Dr. Lavina were present during the meet.

We hoisted Child Safety and Digital Trafficking Workshop in Catholic Club with the leadership of Daniel Jabaraj and Ms. Sangeetha S. Dr. Renny Samuel, who spoke on moral responsibility and proactive child safeguarding; Ms. Saranya Aaron, who addressed child trafficking and digital safety with a focus on prevention; Ms. Christy, who explained the POCSO Act and key legal responsibilities; and Ms. Aarthi Sachdev, who guided participants on trauma-informed responses for caregivers. After a brief snack break, the members present were offered lunch. It was truly amazing to see people of various backgrounds to gather and work towards to a common goal: to uplift the unfortunate children and bring stability into their lives. The workshop concluded with an interactive Q&A session, followed by a meaningful time of networking, connection, and fellowship lunch among participants.
