PRESIDENT'S LETTER

DEAR MEMBERS,

Looking Back at September & Looking Ahead to October

September was a month filled with fellowship, activity, and community spirit at the Catholic Club. It was wonderful to see our members come together and participate in a variety of programs and activities, creating many opportunities to meet, connect, and celebrate our shared community.

September at the Catholic Club

We had a good mix of programs throughout the month, including Faith programs, the Jim Reeves Elders' Evening, Onam Sadhya, Bar Nights, and our popular Sunday Brunch, all of which attracted encouraging participation from our members.

We also organized another round of the Voter SIR Help Desk for members who were unable to make use of the facility during the previous round. Once again, the response was very encouraging. I would like to place on record my sincere appreciation to all those who sacrificed their valuable time to organize and support this initiative. Your efforts in helping fellow members is truly appreciated.

The month brought together members of all ages through social gatherings, recreational activities, and Club programs. The enthusiasm and participation of our members helped make each event enjoyable and memorable.

A special thank you goes to all our members, volunteers, staff, and organizers who contributed their time and effort. Your continued support and participation are what make the Catholic Club a welcoming place for friendship, recreation, and community life.

Looking Ahead to October

As we move into October, there is plenty to look forward to. The coming month promises more opportunities for members to come together, participate in activities, and enjoy the vibrant atmosphere of the Club.

October will feature a range of programs and gatherings, with something for everyone. Members are encouraged to keep an eye on the Club notice boards and official announcements for programme details, dates, timings, registrations, and other information.

We look forward to another month filled with fellowship, celebration, friendship, and wonderful memories.

Project Updates

I am pleased to share that work on the Swimming Pool Changing Rooms is progressing well. Our professionals from PPC, the Architect, and the OBs have been closely monitoring the work and are working with the contractors to ensure that the renovated space is completed and handed back to our members at the earliest.

We have also tendered the Sky Lounge and Rain Tree renovation works. We will make every effort to complete these projects as per the scheduled project timelines.

There are also other projects in the pipeline, and we will continue to keep our members informed about their progress.

Your Feedback Matters

The Club belongs to all of us, and the feedback of our members is important in helping us improve.

If any member has a complaint, I request you to send an email to secretary@catholicclub.com. The matter will be looked into and addressed appropriately.

I encourage members to continue sharing constructive feedback so that together we can make the Club a better place for everyone.

A Community That Grows Together

The Catholic Club is more than just a place for recreation. It is a community built on friendship, participation, and togetherness. Every program and event becomes special because of the people who take part and contribute to it.

As we close September and welcome October, I would like to thank all our members for their continued support, encouragement, and participation. Your involvement gives life to the Club and motivates us to keep improving and introducing programs that bring our community together.

I look forward to seeing you at the Club throughout October and sharing many more enjoyable moments together.

Here's to a wonderful October at the Catholic Club.

Come, participate, connect, and make memories with your Catholic Club family.

Warm regards,

Jude Rajesh Ferrao

An Evening of Education, Passion, Insight & Intelligent Conversation !!

The Club came alive to an evening of passion, education, perspectives and engaging conversation with a special book discussion on "The Australian Dream"- featuring its author Ashwin, in conversation with Nishank Kariappa, who moderated the session with warmth and ease.

Adding distinction to the evening was the presence of Vik, the Australian Trade and Investment Commissioner as Chief Guest, whose participation brought an enriching international perspective to the conversation.

The discussion went well beyond the pages of the book, touching upon aspirations, opportunity, Australia's evolving landscape, universities and the many facets of the Australian experience. Ashwin and Vik offered fascinating insights and gave the audience an opportunity to look at the book through the eyes of its author.

What made the evening particularly memorable was the exceptionally engaged audience. An intelligent,

curious and discerning gathering of members and guests who participated enthusiastically, posing thoughtful questions and sharing perspectives that kept the conversation lively and spontaneous.

Nishank's effortless moderation allowed the discussion to flow naturally, striking a fine balance between the author's insights and the audience's curiosity. The result was a wonderfully interactive session — one that felt less like a conventional book discussion and more like an open exchange of ideas and thoughts.

The presence of the Australian Trade and Investment Commissioner, Vik further elevated the evening, providing an opportunity to explore broader perspectives on Australia and the growing connections between Australia and India.

It was, ultimately, an evening that celebrated the power of books to spark curiosity, conversation and connection — bringing together literature, intellect and an audience eager to engage with ideas.

SASSY SENIORS

The first of many events for Elders finally came to fruition on 16th of September 2026. The tribute to Jim Reeves 'MOONLIGHT & ROSES,' was an instant hit, drawing a record turnout of more than 400 attendees.

The highlight of the evening was a performance by Catholic Club's own Jim Reeves, Mr. S. Sudhakar Jayaraj accompanied by Miracle providing the backing vocals. Without a doubt, it was one of Mr. Jayaraj's best performances, getting every guest singing & dancing to Jim Reeves' melodies. DJ Neil Hoskins later took over and played more foot tapping music, ensuring the dance floor remained full and the wonderful vibe continued throughout the evening.

Hats off to the sub-committee of Ms. Rosalind Vieyra, Ms. Anita Pelegrim, and Ms. Maisy Johnson for their

hard work and dedication in planning the event, putting up all the decorations and executing everything perfectly. Thanks to sub-committee member Neil Hoskins as well for bringing it all together with the music.

We received extensive feedback from our elders regarding the event and are committed to incorporating all suggestions to improve future events. Thank you to every single member who attended the event, and we look forward to the next one.

Cheers & God bless.

SEPTEMBER – A MONTH TO REMEMBER AT THE CATHOLIC CLUB

September was truly a month to remember at the Catholic Club, filled with rhythm, flair, tradition, and plenty of dancing feet!

Our much-anticipated dance workshop kicked off on 5th September, bringing together members for an exciting series of classes held every Saturday and Sunday. Under the expert guidance of our instructor, Gilmour, participants dove straight into the fun, mastering the lively steps of Jive, Cha-Cha, and Bachata. The turnout was fantastic, with strong participation and an incredible surge of enthusiasm in every session as dancers of all skill levels worked on their footwork, timing, and technique.

The grand finale took place on 27th September, bringing the workshop to a spectacular close with a masquerade-themed social night, styled in an elegant palette of navy and wine. Mystery and elegance set the mood as masked dancers took to the floor and showcased everything they had learned through the month.

The celebration ran from 8:00 PM to 11:00 PM, with DJ Callie keeping the energy high and the dance floor packed all night long. The evening also featured an exciting couples' game face-off, where pairs went head-to-head in a fun test of rhythm, coordination, and endurance. In the end, the winning couple emerged victorious as the last couple standing!

A heartfelt thank-you goes to Gilmour for his patience, enthusiasm, and brilliant instruction throughout the workshop. We would also like to extend our sincere gratitude to our President, Mr. Jude Rajesh Ferrao, for his constant encouragement and unwavering support, which continues to help us bring these initiatives to life.

Special appreciation goes to our dedicated organisers and Youth Committee members – Prithvish, Rachel, Darren, Aditya, Gregory, and Nikita – whose hard work, coordination, and commitment behind the scenes played a huge role in making the workshop and social a resounding success.

On 20th September, we came together for a vibrant Onam celebration filled with tradition, delicious food, games, music, and festive cheer, with over 400 members and guests joining us.

The traditional Sadhya featured an impressive 27

delicious dishes, bringing the rich flavours and spirit of Onam to the table. The spectacular Melam and Chenda Melam performance added rhythm and energy to the celebrations, while exciting games brought plenty of laughter and fun for all age groups.

The evening came alive with beautiful décor and stunning floral arrangements, Samsara Cocktails, and an energetic flash mob by our Managing Committee Members, adding to the festive atmosphere and making the celebration truly memorable.

A special thank-you goes to the First Lady of the Club for her valuable support and involvement throughout the programme. We also extend our heartfelt appreciation to Vani and her team for the beautiful decorations and wonderful floral arrangements that transformed the venue.

Our sincere thanks also go to the Club staff for their dedication, hard work, and support in making the event run smoothly.

It was a wonderful celebration of food, culture, tradition, and togetherness, creating memorable moments for everyone who joined us.

September was truly a month of bringing people together – through dance, music, food, culture, and celebration – and creating memories that will stay with us long after the month has ended.

If September was all about dancing, tradition, and togetherness, October is all set to turn up the fun even further! We have an exciting line-up of events planned, with something for everyone to look forward to.

We kick off the month on 4th October with a Karaoke Night with Carlton Braganza. Get ready to grab the mic, sing your heart out, and enjoy an evening filled with music, laughter, and good company.

Next up is Oktoberfest, bringing its own flavour of fun, food, music, and celebration to the Club.

On 24th October, we celebrate World Goa Day in association with the Karnataka Goan Association. It promises to be an evening celebrating the spirit, culture, music, and vibrant traditions of Goa, with plenty of nostalgia and masti along the way!

And, of course, we wrap up the month on 31st October with Masquerade. Get your costumes ready for a

spooky and exciting evening filled with music, mystery, fun, and a whole lot of mischief!

With music, dance, culture, and celebrations lined up, October promises to be another unforgettable month at the Catholic Club. We look forward to

seeing everyone come together and make many more wonderful memories!

ONAM SADHYA – A CELEBRATION OF TOGETHERNESS

On 20th September, we came together to celebrate Onam with an evening filled with tradition, delicious food, laughter, games and plenty of festive cheer!

With over 400 people joining us, the celebrations brought together members and guests of all ages. The day had something for everyone, with 21 traditional dishes served as part of the Sadhya, offering everyone a wonderful taste of the rich flavours and traditions of Onam.

We would like to begin by extending our heartfelt thanks to the First Lady of the Club Sally Ferrao for her constant support, help and involvement throughout the entire programme. Her presence and assistance played an important role in making the celebrations run smoothly.

Adding to the festive spirit was the spectacular Melam and Chenda Melam performance, which brought the sounds and energy of Kerala's traditional celebrations to life. The powerful rhythms and vibrant performance added to the atmosphere and were thoroughly enjoyed by everyone present.

The fun continued with an exciting line-up of games specially planned for different age groups. From the little ones to the adults and the young at heart, everyone got involved, bringing out plenty of laughter, enthusiasm and friendly competition. A special thank you to Tanvey Antonio for organising and handling the games for the children and making sure our youngest guests had a fantastic time.

Keeping the energy levels high were our Managing Committee Members, who entertained the crowd throughout the evening and surprised everyone with an energetic flash mob dance. The unexpected performance had everyone cheering and added an

extra burst of excitement to the celebrations. A special thanks to Tanvey Antonio for choreographing the dance and helping bring the performance together.

The beautiful festive ambience was made even more special by the wonderful decorations and floral arrangements. A heartfelt thank you to Vani and her team for all their hard work, creativity and effort in transforming the venue and bringing the Onam spirit to life through their beautiful décor and flower arrangements.

A special mention must also go to the Samsara Cocktails, which were an absolute hit of the day! A big thank you to Sam Texeira for adding this refreshing touch to the celebrations.

We would also like to extend our heartfelt thanks to our President, Mr. Jude Rajesh Ferrao, for his support and for helping make the celebration such a wonderful success.

And, of course, a huge thank you to the Secretary Raymond Stephen and his team and entire Club staff for their dedication and hard work behind the scenes. From the preparations to smooth operations throughout the evening, their efforts were an integral part of making the celebration a success.

It was a day that brought together food, music, culture, fun, tradition and community, creating memories that will surely last long after the celebrations ended.

A big thank you to everyone who joined us and to each person who contributed in their own way to making Onam Sadhya 2026 such a memorable celebration!

iKIDZONE - CHILDREN

iKidzone hosted a charming and nostalgic afternoon of "Stories Celebrating Childhood", bringing together children and parents for an engaging celebration of the simple joys of growing up.

The session began with a creative art and colouring activity, giving the young participants a chance to express themselves before settling down for an afternoon of storytelling. The highlight was an engaging session with Ruben, author, storyteller and dad, who brought his book "Climbing Trees and Catching Thieves" to life.

As Ruben shared his tales and reason for the book, the children listened with curiosity and enthusiasm, transporting everyone back to a time of outdoor adventures, innocent mischief and carefree childhood.

Adding a particularly special touch to the afternoon, parents were invited to share their own childhood memories and stories. The exchange beautifully bridged generations, with adults reminiscing about their childhood while children discovered a world very different from the one they know today.

The session was not just about storytelling; it was about creating memories together — through art, laughter, imagination and shared experiences.

It was a heartwarming afternoon that reminded us that childhood stories never really grow old. They simply find new ears, new imaginations and new generations to enjoy them.

Caring for Their Health – Medical Drive at RTC Orphanage Home.

Continuing its commitment to the health and well-being of children, CCOT organised a Medical Drive at RTC Orphanage Home on 30th August 2026.

The day was planned not only to focus on the children's health but also to make the Experience Joyful, Engaging and Memorable for them. A team of dedicated Doctors generously gave their time and expertise to attend to the children and provide professional medical consultations and health guidance. The medical team included Dr. Bobby, Dr. Pretesh, Dr. Vijayalakshmi, Dr. Mohit, Dr. Esha Raja and Dr. Greeshma.

To add fun and excitement to the day, Music and Dance were part to entertainment for the children. The lively session brought plenty of smiles, laughter and enthusiasm, creating a wonderful atmosphere and making the medical drive feel less like a routine health camp and more like a day of celebration and togetherness.

Following the consultations, medicines were prescribed for children who required further treatment. CCOT promptly placed the required orders for the medicines and ensured that the prescribed medicines were procured and delivered ensuring continuity of care.

Adding to the day's celebrations, scrumptious Biryani and Kebabs were provided for lunch which the children thoroughly enjoyed. The combination of

Healthcare, Music, Dance and a special meal made the day a memorable one for the children.

As part of the continued medical care, a Dental follow-up was arranged on 6th, 13th & 20th September 2026. These visits focused on addressing the dental concerns identified during the initial medical drive. The Dental assessment identified 42 children that needed to receive the necessary treatment such as cleaning, filling & extraction and guidance was provided to maintain future oral hygiene.

While waiting for their appointments, all the children were provided with refreshments making their wait more comfortable and enjoyable.

To ensure a smooth and safe experience, transportation was arranged by CCOT, with cabs provided for the children and accompanying caregivers for both the onward and return journeys for all 3 batches.

CCOT sincerely thanks all the Doctors for their valuable time and expertise, along with the volunteers Joey & Amanda Santiago, Rex D'Silva, Savith Gonzalves, Vinita Thumbboochetty, Mable Pinto, Preethi, Shubha, Diya & Frazer who contributed to making the initiative a success. The smiles, laughter and enthusiasm of the children made the day truly special and reaffirmed CCOT's continued commitment to the health, happiness and holistic well-being of children in orphanage homes.
