PRESIDENT'S REPORT

Dear Members,

Celebrating Our Legacy and Building Our Future.

As we step into the month of September, we do so with hearts filled with gratitude and pride following the memorable celebrations of the 75th Diamond Jubilee of our beloved Catholic Club.

I would like to sincerely thank each and every member, family, guest, past president, office bearer, staff member and well-wisher who participated in and contributed to making our Diamond Jubilee celebrations truly memorable. Your presence, enthusiasm and support made the celebrations a fitting tribute to 75 glorious years of our Club.

The month of August was truly special. It brought together generations of members, families, past presidents, office bearers, staff and friends of the Club as we celebrated three-quarters of a century of fellowship, friendship and service. The Diamond Jubilee was not merely a celebration of 75 years—it was a celebration of the people who have made Catholic Club what it is today.

As we turn the page to September, the celebrations may be behind us, but the spirit of the Jubilee continues to guide us. Our 75-year legacy is not just something to look back upon; it is a responsibility we must carry forward.

From Celebration to Continuity

The Managing Committee remains committed to ensuring that the Club continues to evolve while preserving the values and traditions upon which it was founded. Our focus remains firmly on improving our facilities, enhancing the member experience, strengthening our systems and ensuring that the Club

continues to meet the expectations of its members.

Over the past year, several initiatives have been undertaken across the Club. From improvements to our facilities and food and beverage offerings to ongoing maintenance and infrastructure projects, our objective has been simple—to make the Club a place where every member feels proud to belong.

The upgrading of menus, improvements in cutlery and service standards, and the continued development of our various departments are all part of this effort. We encourage members to make the best use of the facilities and services available and, most importantly, to continue sharing your feedback and suggestions with us.

Our Club, Our Responsibility

A Club is much more than its buildings, facilities and infrastructure. Its real strength lies in its members. As we enter the next chapter of Catholic Club's journey, it is important that we continue to uphold the spirit of camaraderie, respect and fellowship that has defined our institution for 75 years. Differences of opinion are natural in any organization, but they should always be expressed with mutual respect and with the larger interests of the Club in mind.

The Managing Committee will continue to work with transparency, accountability and due process, keeping the interests of the membership at the forefront of every decision.

The Managing Committee will continue to work with transparency, accountability and due process, keeping the interests of the membership at the forefront of every decision.

Looking Ahead

September brings with it renewed energy across our various departments and committees. There is much more to come, with activities, programs and initiatives planned to keep the Club vibrant and

engaging for members of all ages.

We particularly encourage our younger members and families to take greater advantage of the Club and become an integral part of its future. After all, the next 25 years of Catholic Club will be shaped by the members who are with us today.

As we proudly celebrate 75 years of Catholic Club, let us remember that we are temporary custodians of an institution built by generations before us. It is now our responsibility to strengthen it, improve it and hand it over to the next generation in an even better condition.

The Jubilee year may have begun with celebration, but it must continue with commitment.

Improving Our Facilities

There are several construction and improvement works currently underway across the Club premises. We sincerely apologize to our members for any inconvenience, noise or disruption that these works may cause during this period.

Many of these are AGM-approved projects and are being undertaken as part of our continued commitment to improving the Club's infrastructure and facilities. While these works may cause some temporary inconvenience, we are confident that the improvements will significantly enhance the experience of our members in the long run.

The Swimming Pool Changing Rooms are presently undergoing extensive changes and a complete refurbishment. The work is being carried out with the objective of providing our members with modern, hygienic and improved facilities.

We are working closely with our consultants, contractors and staff to ensure that the various projects progress as efficiently as possible. Our endeavour is to complete the Swimming Pool Changing Rooms works by November 2026, subject, of course, to site conditions and the progress of the individual works.

We once again thank our members for their patience, understanding and cooperation during this period of improvement.

A little inconvenience today will pave the way for better facilities tomorrow.

Together, We Move Forward

I thank each and every member for your continued support, encouragement and constructive suggestions. The journey of Catholic Club over the past 75 years has been built on the collective contribution of generations of members, and I am confident that together we can make the years ahead even more meaningful.

Let us continue to make Catholic Club a place where friendships flourish, families come together and memories are created.

Here's to September and to the next chapter of our remarkable journey together. God bless you and your family.

Independence Day 2026

Independence Day 2026 was a celebration filled with pride, togetherness, music, and plenty of festive cheer. The day brought everyone together to mark the spirit of freedom and patriotism, while also enjoying an evening of laughter, entertainment, great food, and wonderful company.

The celebrations were made even more special with the support of Diageo and United Breweries Ltd., whose contribution helped make the occasion a memorable one for everyone. The evening brought together all the ingredients of a wonderful celebration — enthusiastic participation, lively entertainment, great music, and the unmistakable spirit of togetherness.

Keeping the celebrations lively throughout the evening were our energetic emcees, Jake Texeira and Johnathan Smith. Their infectious enthusiasm, humour, and interaction with the crowd ensured that the celebrations remained engaging and entertaining from start to finish.

The cafeteria team added to the festive spirit with a delicious spread that was enjoyed by everyone. Their efforts brought an added touch of warmth to the occasion, giving friends and families the perfect opportunity to come together over good food and conversation.

As the evening progressed, the stage came alive with an exciting musical line-up. DJ Neil took charge of the decks and had the crowd moving with an energetic mix of music that set the perfect mood for the celebrations. The evening continued with performances by two much-loved Goan bands, True Blue and A26, who brought their distinctive sound and infectious energy to the stage. Their performances had the crowd singing along, tapping their feet, and taking to the dance floor.

A special mention and heartfelt thanks to Sam Texeira, MIC Bar, whose thoughtful efforts added an extra touch of cheer to the celebrations. His contribution helped make the evening even more enjoyable and added to the warm and convivial atmosphere of the occasion.

With friends and families coming together, the evening was a wonderful celebration of community and camaraderie. From the delicious food and lively entertainment to the music and enthusiastic participation, every element added to the spirit of Independence Day.

A special thank you to Diageo and United Breweries Ltd. for being a valued part of the celebrations and for helping create an evening filled with memorable moments.

As the music played on and the celebrations continued late into the evening, the spirit of Independence was felt not only in the patriotic moments, but also in the joy of coming together as a community.

A heartfelt thank you to our President, Jude Rajesh Ferrao, and the Managing Committee for their tireless efforts, dedication.

And just when you thought the celebrations were over... we're gearing up for another spectacular day! Get ready for the colours, culture, music, flavours, and festivities of Onam Sadhya on 20th September, from 12 noon to 3:00 pm.

BADMINTON

We kicked off our year with the Beer & Biryani tournament held on July 26th 2026. The weekend delivered high energy and fierce competition.

A total of 33 eager participants were split into three powerhouse teams of 11 each to battle for the title.

The tournament saw the three teams bring their absolute best to the field, each led by their fearless captains:

Team **NETizens**, strategically guided by Rajeev.

Team **Baddies**, bringing the attitude and flair under Jebin.

Team **Shutt Up**, anchored by the tactical mind of Joe Rasquinha.

The matches were intense, but it was Team Shutt Up that truly walked the talk. Living up to their bold name, Captain Joe Rasquinha rallied his team to outplay the competition and claim the title.

The Ultimate Reward

Win or lose, the true spirit of the day shone through after the tournament. All the players came together to celebrate the beautiful game the best way possible with cold beers and biryani.

Congratulations to Team Shutt Up on a spectacular victory and a massive shout out to all the participants.

The August Independence Cup

The momentum carried right into the mid-month as

22 participants stepped up for the Independence Cup held on 13th & 14th August 2026. Spread across distinct categories, the doubles format delivered thrilling performances.

BILLIARDS

The Billiards & Snooker department kick-started this year with the first B&B tournament on 8th of August 2026. This tournament was special as it was also in conjunction with the 75th anniversary celebrations at the Catholic Club.

We could not have a better Saturday night for the billiards fraternity. A fun format of games with multiple entries spiced up the event and the music in the billiards room for the first time had all the participants' foot tapping while cueing up against each other.

With entries from all age groups and some new faces also joining in the fun, the tournament showcased great snooker, camaraderie and fun for all in attendance. At the end of it all, Prakash Richard Menezes played some excellent games to win the 1st B&B event with Ashwin Sunder coming in second and

Chirag Saldanha clinching the 'Promising player' of the tournament.

Our thanks to the President - Mr. Jude Rajesh Ferrao, Vice President - Mr. Prakash Alvares, Treasurer - Mr. C. J. Anthu Raj, MIC Bar - Mr. Sam Texeira, MIC Cafeteria - Mr. Gerald Pereira for their support as always.

The caddy goodie bags were handed to all caddies at the end of the afternoon session.

The weather added its own challenges to the day, with rain accompanying the golfers on the course in both sessions. However, the showers did little to dampen their enthusiasm. Players displayed tremendous spirit, determination and sportsmanship, taking on

the wet conditions with smiles and an unwavering commitment to the cause.

Gala for a Cause:

The day's sporting excitement culminated in a wonderful Gala Evening hosted by Catholic Club at 7:30 p.m. It was a fitting finale to an action-packed day and provided an opportunity for everyone to come together, celebrate the success of the tournament and acknowledge the generous support behind the initiative.
